## A5L task light

### A5L base model includes:

---

- Energy efficient T5 3500K fluorescent lamp
- High power factor electronic ballast
- 9' black power cord with 90° plug, sw rotation, right hand exit
- Black rocker switch, 2 position, center of fixture
- Linear prismatic (batwing) lens
- White coated steel reflector
- Mounting hardware package - must specify
- Paint finish - must specify
- UL and CUL listed

Base Number	Suggested Shelf Size	Actual Length	Lamp Wattage
A5L 24	<b>30"-36"</b>	22.97"	14
A5L 36	<b>42"-48"</b>	34.78"	21
A5L 48	<b>54"-78"</b>	46.59"	28

### Specifying notes:

---

- Switch location on the A5L 24 is the right side of the fixture.
- When specifying the daisy chain (DC) option for the A5L, specify one DCP (power cord fixture), up to 6 DCJ (jumper cord fixture), and one DCE (end fixture) - maximum total of 8 fixtures. See page 51 for more information.
- The power fixture in a daisy chain run can be specified as independent switching (DCP) or master control (MCDCP).
- For all daisy chain fixtures (DCP, DCJ, and DCE) the cord location must be specified. Example: DCPR (right hand power cord), DCJR (right hand jumper) and DCER (right hand end unit).
- The DCP is available with a 90°, sw rotation fused plug only.
- All daisy chain fixtures are only available with black cords.
- The DCE has one 24" jumper cord with male plug to complete the daisy chain run.
- Maximum distance between 2 A5L daisy chain fixtures is 16".
- The FIC (field interchangeable option) is not available on daisy chain fixtures.
- Mounting options include spring bars for metal shelf, tek screws for metal screw mount, or wood screws for wood or laminate shelves. See pages 56-57 for manufacturer's cross reference codes.
- Cord covers are available in black (209), gray taupe (228), light tone (063), stone gray (062) and soft white (061); color code must be specified with size of cord cover.

	Power-left hand exit <small>Master Control</small>	MCDCPL	46.00
	Jumper fixture-right hand exit	DCJR	26.00
	Jumper fixture-left hand exit	DCJL	26.00
	End fixture-right hand exit	DCER	26.00
	End fixture-left hand exit	DCEL	26.00
<b>City code:</b>	Fused plug -sw rotation	CHC9SW	48.00
<b>(Chicago)</b>	Fused plug -straight	CHC9ST	48.00
<b>Cord manager:</b>	Horizontal	CM1	3.00
	2- 2" vertical	CM2	3.00
	1 2" vertical	CM3	3.00
	Bag of 50 horizontal (CM1)	CM4	37.00
<b>Cord cover:</b>	24" cover (add color code)	CMC24	13.00
	48" cover (add color code)	CMC48	21.00

When choosing options refer to pages 48-53 to verify proper use.

1. Specify base number for appropriate shelf size.
2. Select option code from list.
3. Select paint finish from page 54.
4. Select code for manufacturer and system name of unit that the light will be mounting in, pages 56-57.

If manufacturer and system name code is not listed, identify them on your purchase order and a Light Corporation customer service rep will contact you on availability.

Call Light Corporation customer service to place an order, 1-800-544-4899.  
Prices are subject to change.
