the workspace.

task, personal task, and ambient lighting

Tazetta

MT5 task light

Choose from any Light paint color, and your **slim-profiled** Tazetta will blend right in beneath an overhead storage unit. But just because Tazetta stays out of the limelight, don't be fooled—this small light is anything but shy. With its **energy-efficient T5 3500K fluorescent lamp** and **normal power factor, energy-efficient electronic ballast**, the Tazetta provides optimized light distribution that's up for any task.

Prismatic lens

Linear prismatic (batwing) lens

Features & benefits

Standard

Optional

Lamp

Slim, **energy-efficient T5** fluorescent 3500K lamp

3000K, 4100K

Ballast

Normal power factor, **electronic ballast**

High power factor, electronic ballast for **increased energy efficiency**

Cord 1

9' cord with 90° plug

~

Cord exit

Center

2

Left-hand, right-hand, hardwire

Cord manager 3

One clip standard to route cord left or right

Vertical or horizontal clip to route cord down or across panels

Cord cover available in 5 colors

7

Occupancy sensor

Paint colors

Light Corporation standard colors

Various office furniture manufacturers' colors

Mounting

Safety keyhole slots for wood or laminate installations

8

Spring bars for metal shelves through slots in end of fixture

Certification

UL and CUL

~

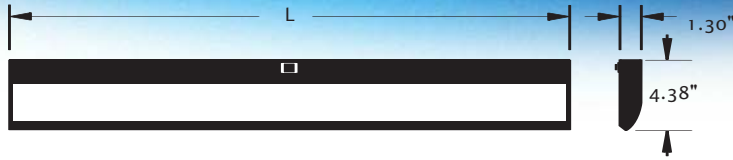

Light

enlightening the workspace.

“If task lighting is viewed independently (from general lighting), perhaps greater attention can be given to solutions more closely reflecting a task's requirements.”

Tazetta
